

Powerpack 450+

Keeping you powered wherever you are

Portable
Power
Technology

Compact and lightweight all-in-one
Powerpack 450+ delivers AC and DC
power wherever and whenever you need it

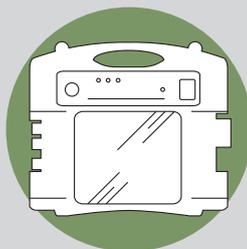

Perfect for off grid
cabins, glamping,
tents, garages, market
stalls, service engineers
and for basic backup
during a power cut

Features:

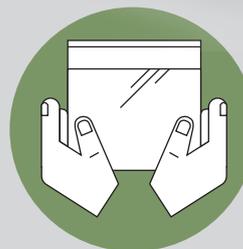

- Small, quiet and ultra powerful – Lithium-polymer battery provides 444 Watt Hour (Wh) of battery capacity
- Lightweight but strong aluminium alloy rugged design – weighs just 5Kg
- Flexible output to cover all requirements – 230V AC (450W) / 3x 12V DC output (120W) / 3x USB output (3.1A total) / 1 x 12VDC 15A Car port connector (female)
- NEW 2 x Type C output – 10W output for fast charging of phones/tablets and 40W output with built in power delivery to power laptop and other USB C enabled devices
- Quick and easy recharging – Supplied AC charger, DC car charger and optional solar charging (up to 60W)
- Integrated LCD control panel display battery and output status
- Built in Multi safety protection – 5 levels that include short circuit, overload and over-temperature
- Included Accessories: AC charger, car charger, solar cable (MC4 compatible) and 12V to car DC socket adapter (to connect any appliances with 12V DC car plug)

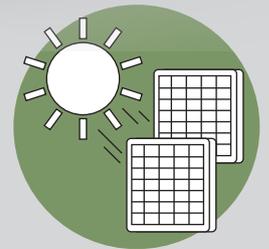

Ideal for off grid and
remote location

All in one
power solution

Portable

Solar rechargeable

Other Specifications:

Input Voltage (AC)	230V-15V 4.5A (typical charging time 10-12 hours)	USB Output	3 x 5V @ 3.1A total
Input Voltage (DC)	12V-15V 4A (typical charging time 10-12 hours)	USB Type C	1 x 10W, 1 x 40W
Input Voltage (Solar)	12V panel @ Max 4A (typical charging time 12 hours)	Dimensions	296 x 94 x 196mm (L x D x H)
Output Voltage (Inverter)	230V 50Hz Pure Sine Wave through UK socket	Battery Capacity	3.7V @ 120Ah (444 Watt Hour)
Output Power (Inverter)	450W (continuous) 500W (Max)	Weight	5Kg
Output Voltage (DC)	3 x 12V DC (180W total) 1 x 12V DC 15A female socket (to connect any appliances with 12V DC car plug)	Operating temp range	-20 deg c to +60 deg c
		Warranty	1 year
