

/ Z72 - Aluminium toolbox with NexT handle

CONFIGURATIONS

1

2

FEATURES

Resistance to:

Shocks

Water/dust
Ingress

Vibrations

HOMOLOGATION

73 R - 010014

Homologation as
Lateral Protection
System.

CERTIFICATION

UNI EN ISO 3834-3
certified welding
process.

PRODUCT TESTS

TÜV RHEINLAND

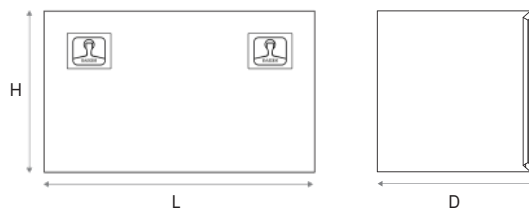

Dust and water resistance
Durability test

Vibrations test led with
Daken brackets both on
the horizontal and on
the vertical axis.

MODELS

CODE	Dimensions (mm)			Weight (kg)	Handles N°	Capacity (lt)
	L	H	D			
8Z7200	400	300	300	4,2	1	32
