

# / Z78 - Aluminium tread plate toolbox with Next handle

## FEATURES

Resistance to:

Shocks

Water/dust  
ingress

Vibrations

## HOMOLOGATION

73 R - 010014

Homologation as  
Lateral Protection  
System.

## CERTIFICATION

UNI EN ISO 3834-3  
certified welding  
process.

## PRODUCT TESTS

TÜV RHEINLAND

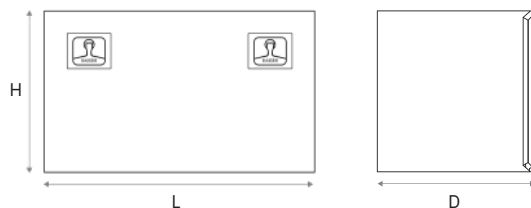

Dust and water resistance  
Durability test

Vibrations test led with  
Daken brackets both on  
the horizontal and on  
the vertical axis.
